## CHANGING SMALL CHOICES – FUTURE IMPACT

LESSON OBJECTIVE: STUDENTS WILL EXPLORE HOW SMALL CHOICES SHAPE THE FUTURE, USING DRAMA PERFORMANCES.

### RESOURCES

- ✓ Student Worksheet 13 – Changing Small Choices – Future Impact

### INTRODUCTION

Discuss: *What small choices have had big impacts in your life?*

Connect to **BACK TO THE FUTURE: The Musical**: How does Marty’s small decision to push his father change everything?

### MAIN ACTIVITY

Performance Task – “One Choice, Two Outcomes”

In small groups, students create two short scenes:

- Scene 1: A character makes one choice (e.g., standing up for themselves).
- Scene 2: The same character makes a different choice (e.g., avoiding confrontation).

Each scene must show how one small change leads to a completely different future.

### CONCLUSION

Class discussion: *What do our performances teach us about decision-making?*
